

Center for Rural Health and Nursing

COLLEGE OF NURSING AND HEALTH INNOVATION

# RURAL HEALTH SEMINAR

A HYBRID SEMINAR SERIES FOR CURRENT FACULTY & STAFF ON FURTHERING EDUCATION

## Empowering Rural Nurses: Telementoring for Professional Growth and Support

**Speaker:** Dr. Waridibo Allison, MD, PhD, FACP, CPE, FIDSA;

In this hour-long seminar, the Center for Rural Health and Nursing will be exploring the topic of telementoring and its significance in rural nursing.

### Objectives:

- Define telementoring and its relevance for addressing key challenges in rural nursing.
- Define 6 models of telementoring and describe their potential uses/applications.
- Identify resources to support organizations in designing, implementing, and evaluating telementoring programs to support the rural nursing workforce.

**Attendees will receive 1.0 contact hour upon successful completion of this seminar.**

**\*In order to receive a certificate, the attendee must attend 100% of activity and submit an evaluation**

The University of Texas at Arlington College of Nursing and Health Innovation is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

**VIRTUAL MEETING**  
**TUESDAY, AUGUST 22, 2023**  
**12PM - 1PM**
